Conference Program

Technical Sessions

14 technical sessions, with about 60 presentations

Parallel sessions in rooms B1 and C

Topics: medical scanning systems, medical applications, body scanning for apparel, body scanning systems, applications in health & sport, digital anthropometry, rgb-d sensors & low cost systems, scanning methods & technologies, anthropometric studies & surveys, body modeling & avatars, and others.
Conference Program

Exhibition

15 manufacturers are presenting their body scanning solutions and systems

Large number of different systems

The major technologies are represented: white-light scanning, laser scanning, active photogrammetry, depth-camera, application software

Various application sectors: apparel, medicine, health, 3D printing, etc.
Conference Highlights

World Premieres

9 manufacturers are showcasing here world and international premieres:

- Styku (USA)
- 3dMD (UK/USA)
- Size Stream (USA)
- VITRONIC (Germany)
- Sizzy (France)
- TechMed 3D (Canada)
- IBV (Spain)
- Human Solutions (Germany)
- ViALUX (Germany)
- 4DDynamics (Belgium)
Welcome cocktail

This evening 19:00-21:00 foyer

With local gastronomy products and wine of the region.

The welcome cocktail is kindly offered by the organizer Hometrica Consulting
Basic Rules

Questions – Introduce Yourself

When asking a question at a technical session, please introduce yourself with name and affiliation.

Photos/Video – Publication not Permitted without Approval

It is difficult for us to avoid the audience to take photos during the sessions. For the audience: please note that it is not allowed to publish photos/videos without approval of the presenter. For the presenters: please inform the audience at the begin of your presentation if sensitive/protected material will be shown.

Advertising Material – Not Allowed without Approval

Any commercial material (fliers/brochures) left around without approval will be removed.
