Call for Registrations and Exhibitors

10th **3DBODY.TECH** Conference & Expo

Lugano, Switzerland · 22-23 October 2019

3DBODY.TECH Conference & Expo

The Premier Multidisciplinary International Conference and Exhibition on 3D Human Body Scanning and Processing Technologies

3DBODY.TECH Conference & Expo provides a platform of eminent professionals, entrepreneurs, academicians and researchers across the globe to present, learn and discuss the latest in 3D body scanning and processing technologies. The multidisciplinary character of 3DBODY.TECH makes it unique and not comparable to any other meeting related to 3D body technologies.

3DBODY.TECH Topics

The technical program consists of oral presentations, poster presentations and live demonstrations in, but not limited to, the following technical areas:

- 3D & 4D body and 3D & 4D face scanning methods, systems and technologies
- 3D body processing methods and technologies
- Machine learning and artificial intelligence for 3D body scanning and processing
- 3D body modeling, 3D body visualization, 3D body printing methods and technologies
- Active 3D body scanning technologies (laser scanning, white-light scanning, RGB-D)
- Passive body scanning methods (stereo photogrammetry, visual-hull)
- Portable and hand-held human body scanning and measurement devices
- Full body scanning systems for the apparel and fashion sector
- Applications in medical sciences (plastic surgery, orthotics, prosthetics, forensics, etc.)
- Foot scanning, custom footwear and orthopedics
- Digital anthropometry, anthropometric studies, ergonomics
- Body measurement and sizing campaigns, fitting mannequins
- Biometrics and applications in security
- Applications in sport, health and fitness
- Human body and face modeling, animation and simulation
- Applications in virtual life, games and entertainment
- 3D body scanning for arts, sculpture and 3D printing

3DBODY.TECH Facts

3DBODY.TECH confirmed with the past 9 editions (2010 to 2018) to be the main and largest technical and scientific international event focused on 3D human body scanning and processing technologies.

Technical presentations

1 plenary session, 14 technical sessions and 1 poster session, with over 80 presentations

Technical exhibition

Parallel exhibition on 500-700m² with 25-30 exhibitors

Attendees/participants

200-300 expected attendees/participants

Profile of attendees/participants

65% from private industries and firms

35% from universities and research institutions

45% managing positions (e.g. CEO, CTO, Professor)

50% technical/operative positions (e.g. project manager)

35% users of 3D body technologies

30% developers/manufacturers/providers

30% new users/potential buyers

Conference Program

The technical program consists of oral presentations, poster presentations and live demonstrations.

Program outline

The program of the conference is structured, during two full days, in an opening session and 13 technical sessions in dual track, accommodating in total over 80 scientific and technical presentations, grouped according to various topics and application areas.

The parallel exhibition allows manufacturers of scanning equipment to demonstrate live their products and solutions to all attendees/visitors/participants.

Coffee breaks, lunches and social events are planned in order to increase the possibilities for building relationships and exchanging ideas between attendees, visitors, authors, participants and exhibitors.

Late submission of presentation proposals, abstracts, papers

Submission of proposals/abstracts/papers is closed and the preliminary conference program is prepared. Slots for additional presentations may however be available. For any questions about late submission of presentation proposals, abstracts or papers, please contact the conference office info@3dbody.tech.

Attendees / Participants - Registration Fees

Each attendee/participant/delegate and each speaker/presenter that wishes to attend the conference and visit the technical exhibition has to register and pay the registration fees before the begin of the conference. The registration fees include admission to all sessions, the accompanying exhibition, coffee breaks, lunches, the welcome cocktail reception and a copy of the proceedings.

Attendee/delegate: 700 CHF Presenter/speaker: 650 CHF Student: 600 CHF One day only: 500 CHF

Prices are in Swiss francs (CHF) and inclusive of taxes (when applicable).

Exhibitors and Sponsors - Registration Fees

The technical exhibition takes place in parallel to the conference and is accessible to all attendees and participants of the conference. Private corporations and organizations, research and educational institutions, individual firms and start-ups are welcomed to participate at the technical exhibition or to become sponsors of the conference. Different affordable levels for exhibitors & sponsor are available.

GOLD exhibitor & sponsor

- 9m² (3x3m) exhibition space
- additional space possible
- tables, chairs, el. plug, WiFi
- 2 full and 1 staff registration
- logo, link, text on website
- leaflets in conference bags
- cost: 2950 CHF

SILVER exhibitor & sponsor

- 3m² (2x1.5m) exhibition space
- additional space possible
- 1 table, chairs, el. plug, WiFi
- 1 full and 1 staff registration
- logo, link, text on website
- leaflets in delegate bags
- cost: 1650 CHF

BRONZE exhibitor

- 1m² (2x0.5m) exhibition space
- 1 table, el. plug, WiFi
- 1 full registration
- logo, link, text on website
- cost: 1150 CHF

BRONZE sponsor

- logo, link, text on website
- leaflets in conference bags
- cost: 650 CHF

Location: Lugano - Swiss Mediterranean Style

Lugano is situated just 80 km north of Milan, in Ticino, an alpine canton in the South of Switzerland. This quiet, compact city of spacious parks lies on the shores of beautiful Lake Lugano, in an unspoilt landscape of lush hills and wild, remote valleys. Local area attractions and short day trips can make this conference the opportunity of a mini vacation. On the other hand, the nearby greater Milan area houses cultural heritages, museums, first class shopping, delicious dining and various cultural offers.

Access and Travel

Milan Malpensa international airport (MXP) is just 70km from Lugano and directly connected to Lugano by rail and bus shuttle services. Zurich international airport (ZRH) is located 200km from Lugano with connections by rail. Lugano is within driving distance from major cities in Switzerland, Italy, Germany and France.

Conference and exhibition venue

The conference and exhibition will be held at the Lugano convention center which is centrally located, right next to the splendid municipal park, directly on the lake shore. The center is located within easy walking distance of many hotels, shops and attractions. The dual-track technical sessions, the parallel technical exhibition and the breaks will take place in adjacent spaces on the first floor.
